

## JET LINX TAKES OFF IN 2017

Jet Linx Aviation, a personalized private jet company with 14 locations across the U.S., more than doubled the number of new Jet Card members in January 2017 compared to January 2016, totaling 30 new clients for the month and over 1,200 nationwide.

Jet Linx also more than doubled its aircraft under management from 39 in January 2016 to 85 in January 2017. As of April 2017, Jet Linx has 90+ aircraft under management.

With a plan to add over 350 new Jet Card clients and 46 new managed aircraft in 2017, Jet Linx also announces the formation of a Revenue Management Department to further streamline its infrastructure of support.

Accompanying the establishment of a Revenue Management Department is the promotion of Erin Donnelly as its Vice President. Donnelly, a dedicated Jet Linx team member of seven years and previous the Director of Fleet Management for Jet Linx, has been promoted to lead the new department as its Vice President.

The newly formed Revenue Management Department will lead the Charter and Fleet Optimization departments and focus on expanding both teams to ensure the best revenue management practices for the two departments. "Our commitment to growth in 2017 is

underscored by this reorganization of our executive management. Under the leadership of Erin Donnelly, we will not only meet, but exceed our revenue growth this year" said Jamie Walker, Jet Linx President and CEO.
